

We are blessed with a very gifted and dedicated team of leaders, who love children and are able to bring out the best in them

VALLEY ROAD CHURCH...

is a lively and welcoming church community made up of people and families from many cultures and nations. We really value children in our church community and have a great team of leaders who care deeply and bring out the best in them.

We warmly welcome you and your children to participate in our great holiday programmes and Sunday gatherings. These are really special and joyful times for all the children involved! We love the community around us and hope we can serve you and your family in any way we can.

God bless you
